If a district provides education services to pre-adjudicated and post-adjudicated students who are confined by court order in a juvenile residential facility operated by a juvenile board, the district is entitled to count those students in the district’s average daily attendance.

If a district has a local revenue level greater than the guaranteed local revenue level but less than the level established under Education Code 48.257, the district in which the student is enrolled on the date a court orders the student to be confined to a juvenile residential facility shall transfer to the district providing education services an amount equal to the difference between:

1. The average Foundation School Program costs per student of the district providing education services; and

2. The sum of the state aid and the money from the available school fund received by the district that is attributable to the student for the portion of the school year for which the district provides education services to the student.

*Education Code 37.0061*

A “pre-adjudication secure detention facility” is a secure facility administered by a governing board that includes construction and fixtures designed to physically restrict the movements and activities of juveniles or other individuals held in lawful custody in the facility and is used for the temporary placement of any juvenile or other individual who is accused of having committed an offense and is awaiting court action, an administrative hearing, or other transfer action.

A “post-adjudication secure correctional facility” is a secure facility administered by a governing board or the Texas Juvenile Justice Department that includes construction and fixtures designed to physically restrict the movements and activities of the residents and are intended for the treatment and rehabilitation of youth who have been adjudicated. A post-adjudication secure correctional facility does not include any non-secure residential program operating under the authority of a juvenile board as defined by Family Code 51.12(j).

A “resident” is a juvenile or other individual who has been admitted into a pre-adjudication secure detention facility or a post-adjudication secure correctional facility.

“Residential facility” means:

1. A facility operated by a state agency or political subdivision, including a child placement agency, that provides 24-hour
custody or care of a person 22 years of age or younger, if the person resides in the facility for detention, treatment, foster care, or any noneducational purpose; and

2. Any person or entity that contracts with or is funded, licensed, certified, or regulated by a state agency or political subdivision to provide custody or care for a person under item 1.

A "school district" is the educational service provider in a pre-adjudication secure detention facility or a post-adjudication secure correctional facility. For the purposes of this section addressing Operations, the definition of school district includes open-enrollment charter school.
