WEIGHTED CREDIT AGREEMENT

Date: __________________________

The District Board of Trustees voted on August 27, 2015, to approve 6 hours of weighted dual credit per semester for each student.

Students are allowed to choose the 6 hours they want the District to use as their weighted credit.

Students may take as many hours as they choose, but only 6 hours will be given weighted credit. All other hours will be credited without factoring into their grade point average (GPA).
